# LOVE LETTER

Its a Love Story, Baby Just Say Yes

We've always been a yes company. From the day we opened our doors in 2015, it was a big giant "yes" to the world that we would serve food that made people feel amazing. We were touring the East Coast, going to Taylor Swift concerts with our teen daughters and we could not find acceptable fast food anywhere. Food without hormones, GMO's, & pesticides (those were our NO's :). So we realized if it didn't exist, we'd have to build it ourselves. After all, if Taylor Swift could make love music that made you cry, we could cook organic food that made you fly. Come krush with us on our journey to true health, we promise you will love the tour.

Fran & Michelle
